CAITLIN (KITTY) KENNEDY

SENIOR VIDEO PRODUCER • CREATIVE STRATEGIST • MOTION DESIGNER

Seattle, WA | 425-753-2877 | kitty@cakekitty.com | cakekitty.com | linkedin.com/in/kittykennedy

PROFESSIONAL SUMMARY

Multidisciplinary producer and designer with 8+ years of experience developing B2B campaigns, customer-facing video, broadcast creative, and motion graphics. Leads projects from stakeholder discovery and scriptwriting through shoots, design, animation, editing, and delivery. Brings hands-on expertise across global logistics, aerospace, enterprise technology, and B2C commercial media.

CORE CAPABILITIES

Creative strategy & production: Stakeholder discovery, messaging, scriptwriting, storyboarding, video producing, camera and audio operation, editing, product storytelling, multi-channel delivery.

Design & research: 2D/3D motion graphics, illustration, visual design, brand assets, audio mixing, UX research, interviews, usability testing.

PROFESSIONAL EXPERIENCE

EXPEDITORS INTERNATIONAL | Motion Graphics Designer (Video Production & Creative Strategy)

May 2022 – November 2026 | Seattle, WA

- Owned end-to-end creative projects for global B2B stakeholders, from intake meetings and product research through concept development, scriptwriting, production, animation, editing, and final delivery.
- Translated complex logistics services and product information into accessible marketing videos and supporting campaign materials.
- Independently designed illustration and motion assets while also shooting video, recording audio, developing templates, and producing deliverables for events, web, and sales teams.

BLUE PLATE DIGITAL | Senior Digital Media Specialist

August 2020 – May 2022 | Seattle, WA

- Designed and edited television commercials, digital campaigns, arena promotions, and social video for local and national audiences.
- Produced print and outdoor campaign creative, working with stakeholders to maintain consistent brand stories across formats; mixed music, voice-over, and sound effects.

SPACEFLIGHT | Digital Media Designer (Contract)

July 2020 – June 2023

- Collaborated with engineers, mission managers, and marketers to develop animated explainers, infographics, mission badges, and launch communications.
- Supported on-location video production and promotional photo editing.

ADDITIONAL CREATIVE EXPERIENCE

HIGHSPOT | Motion Graphics Specialist (Contract)

September 2018 – March 2022

- Designed and animated product explainers, branded social videos, and a suite of motion graphics for headquarters displays; edited live-action material for digital events.

CAKE KITTY DESIGN / NEDYKEN PRODUCTIONS | Freelance Visual Designer & Animator

February 2018 – Present

- Provide independent freelance design and motion graphics services through Cake Kitty Design, and collaborate on video productions through Nedyken Productions; projects include branding, explainers, product-launch assets, and presentations.
- Support client and collaborative productions with illustration, animation, storyboarding, editing, and on-set lighting, props, audio setup, and styling. Selected collaborators and clients include LeoStella, SEOPS, Pyramide Productions, and XPath Media.

EVERLY | UX Researcher (Contract)

April – May 2019

- Planned and conducted surveys, user interviews, and usability testing; synthesized findings to inform design iterations.
